Opinions expressed in this publication and not necessarily those of the Association. **Anonymous letters will NOT be published, but names and addresses may be withheld.** However, these may be made available should a written request be received. ¼ page adverts cost **£14.50 per month** and must be submitted by the 1st of the month prior to inclusion.

Maxi ads (£8.25 per month) and Mini ads (price currently under review) should be submitted by 15th of the month prior to their inclusion.

Dear Editor

During October's Resident's Association meeting it was noted that not many letters had been received for publication in the Bar Hill News recently. It was suggested that I write a controversial letter to get people back on their typewriters and computers. I thought about a number of titles, such as "In praise of Tesco", "Lorries - where else are they going to park?" and "It's your own fault for living there", but the thought of lying, and the fact that my address and phone number are printed on the first page, made me think again.

The BHN Letters section has something of a legendary status amongst my family. Whenever friends and relatives visit, they make a bee-line straight to the first section of the stapled A4 pages to read about the gossip going on in the village. While we may laugh and cringe at some of the letters, there is definitely a sense of community that comes from the knowledge that such a forum is available in this area - although woe betide the neighbour that decides to affix a wind turbine to their trampoline to provide power to the Lorry Park outside their house.

The next issue of the BHN is the Christmas Issue. Let's use this letters section for good and give some members of the village an early Christmas present. Think about someone in the area that you would like to say "Thank you" to. You may know them personally. You may not. Nevertheless, please take 30 seconds to send an email to bhneditor@yahoo.com to let them, and the 2000 people that also receive this publication, know that you are grateful for whatever it is they do. The letters section isn't just for gripes and groans. Thank you.

Vice-Chair, Resident's Association

FREE HOTLINE

STRAY TROLLEYS

Your Parish Councillor who liaises with Tesco on behalf of the village has negotiated a FREE service for you to tell Tesco's about stray trolleys: you can

TEXT store2065

TELEPHONE 0808 1359054

EMAIL 9054@tescocomments.com

In each case give village and location of trolley

Tesco's will then collect the trolley and return it to their site.

Please use this service if you see a trolley which is not where it should be. Trolleys which are left around the village can cause obstructions and, if they get into the stream, can cause rubbish to collect which interrupts the free flow of the water.

Bar Hill Village Fête 2010

The Village Fête 2010 will be held on Saturday 3rd July. We need a team of at least six main organisers to enable the Fête to go ahead. If you enjoy the Fête and would like to see it continue, please come along to a discussion evening on Tuesday 10th November at 7.30 pm in the Parish Council Rooms.

We welcome any ideas and skills that you may be able to offer. We need a variety of people to come forward and offer their help: some may prefer to take a more active role as well as those who may want to stay in the background - whichever is fine. For example, litter pickers during the afternoon and evening and on the Sunday morning are very much appreciated.

Not everyone needs to attend every meeting. If you can't make the discussion evening but would like to be involved please email me on kirstengoodfield26@hotmail.com with Fete 2010 in the subject header.

Funding comes from the Residents' Association and the Fête is traditionally organised by their committee members. That's changing this year. They will still be funding the Fête which will be boosted by sponsorship. You will NOT have to join any committees; we just need the village to support a popular village event.

We will start to put plans in place early next year, but before we do this we need a team of dedicated people who are prepared to commit a small amount of time to make the Fête 2010 run successfully. Without the support needed there may not be a Fête 2010.

Calling South Cambridgeshire District Council tenants

South Cambridgeshire District Council needs you to help them shape your housing service. If you live in a village with a **small number of council properties**, as a council tenant we are asking you to come forward and take control over shaping the service South Cambridgeshire District Council provides.

You can make a difference to your community.

Interested?

NEIGHBOURHOOD PANEL MEETING

These are meetings where the Police discuss with members of the public the problems in their areas, and negotiate with the public about what the priorities for policing should be in that area. Anyone can attend these meetings and raise issues which concern them. The next meeting will be on **Tuesday 17 November** at 7.30 pm in the Village Hall at Bar Hill.

If you have an issue which you think the Police should know about, go to the meeting and put your point to the Officers.

FRIENDS OF THE LIBRARY

A Year in the Library

Our **Annual General Meeting** was on 7 October. Next year's committee was appointed, and we looked back on a successful year. There was an increase in subscriptions, our events with visiting speakers and performers were well supported and well received, a second reading circle started up, and regular activities continued to be popular. We joined in the celebrations of Charles Darwin with the help of the Travelling Theatre and we looked back on the Second World War by reading Angela Huth's *The Land Girls* in one of our reading circles.

On the next evening Colin Kirtland recounted his **Journey through Kazakhstan** in our latest talk. We learned a lot about this unknown country and its birds – and about a holiday very different from the average luxury fortnight abroad.

Next Year in the Library

Our new year has now started (we are a forward-thinking bunch).

Come to our next **coffee morning**, on **Thursday 5 November**, from **10.00 to 12.00** to meet library supporters. There is another opportunity to do that on **3 December**.

Consult Bernard Amps for help with tracing your **family history** on 19 November.

Above all, be sure to use your Library. If you don't want to join in our events, do **borrow some books** – that's what it's for. Perhaps you have never set a foot beyond the Post Office? Now is a good time to make that step.

GIRLGUIDING UK CENTENARY CELEBRATIONS

Were you ever a Brownie or Guide, or maybe you have a daughter, sister, mother, aunt or niece who is a member of Girlguiding UK?

Well, you might be interested to know that we begin to celebrate 100 years of guiding in September this year. Guiding has come a long way since a small group of girls stepped forward at the 1909 Boy Scout rally at Crystal Palace Park and asked Robert Baden-Powell to develop a similar movement especially for them. 100 years to the day, our half a million members will be attending parties across the UK to mark the occasion when that small group asked Baden-Powell to do 'something for the girls'.

GIRLGUIDING BAR HILL DISTRICT

In Bar Hill we have 2 Rainbow Units, 2 Brownie Units and a Guide Unit. Guiding has moved into the 21st Century, offering fun activities, doing crafts, outdoor activities, cooking and badge work to suit modern girls and young women. It is a **girl-only space offering an opportunity for the girls to gain in confidence and try new things.** Think how often you have heard someone say that they first learned how to do that when they were a Guide or a Brownie!

As we celebrate 100 years of Guiding, this really is a most exciting time to be a part of the UK's largest organisation for girls and young women! What a better way to do something different, have fun volunteering in your community, make new friends and be part of making 'mountain-top moments' with all our members from 5 year old Rainbows upwards? We would love you to join us so to find out more about our celebrations in **Bar Hill** and how you could get involved please contact **Sheila Robinson** on 01954 230353

EVENING OF INDULGENCE IN NOVEMBER

After the huge success of our last Evening of Indulgence, we are looking for more professionals and stall holders to come along to our next one in November. Perhaps you are a beautician, nail technician, or you can offer some reflexology, etc? Maybe you sell greeting cards, jewellery or gifts ideal for Christmas?

Please telephone Debbie Peterson on **201739** for more information.

REPORT BY COUNTY COUNCILLOR JOHN REYNOLDS

Forecasts suggest Cambridgeshire County Council, which has strong rating for use of resources, could be around £113 million worse off in five year's time than it is now. Under a new scheme – Making Cambridgeshire Count - communities will be put in the driving seat of what services they want and how they are delivered.

Cambridgeshire's Cabinet has voted to press ahead with a £500 million Transport Innovation Fund (TIF) bid to revolutionise transport – but under terms that are best for Cambridgeshire. The record breaking investment would see a package of improvements designed to transform public transport and the roads as well as walking and cycling facilities and echoes the recommendations of the independent Cambridgeshire Transport Commission which reported back to the Council in July. **A Congestion charge would not be considered until at least 2017, and only after £500 million of TIF improvements are in place and working and congestion reaches a level where nothing else will help.**

Cambridgeshire's new state of the art **Central Library** has opened to high acclaim and now provides some of the most modern facilities in the east of England.

Bus operators have registered new Busway services ready for the route from St Ives to Cambridge to open by the end of November. **The Council plans to open the route on Sunday 29 November.**

A consultation about the **future of Cambridgeshire** is giving residents the chance to say what levels of new development they want to see in the county over the next two decades.

Cambridgeshire County Council and other local authorities are clear that a **growth** scenario similar to EERA Option 1 would be the right one for the county. This option proposes the lowest number of dwellings of any of the four options (3600 per year to 2031). It would basically continue with the rates of growth seen in Cambridgeshire through the buoyant property prices prior to the recession.

Now residents are urged to examine all four options and tell EERA what they think at www.eera.co.uk

I am available for consultation by email, phone, letter or e-mail. I can be contacted at the address or telephone number below. Please let me know if you would like these regular updates by contacting me—

BAR HILL BULLDOGS

Sadly, the Bar Hill Bulldogs (U15) are no longer. Recently, they have found it difficult to field enough players for a full team. Thank you to all those that

have been involved in running the team over the years and let's hope the players are able to find other teams to play in.

MATCH REPORT

Bar Hill Rangers v Swavesey

Smart play puts U14s into 2nd round.

Bar Hill put Swavesey under pressure right from the start. **Matt Childs** took the ball through from the left to slot past the keeper, 1-0. **Tom Clark** (Capt.) battled in midfield to pass to **Luke Thomas** who hit the back of the net, 2-0. On the half hour **Johnny Clark-Hassel** converted a free kick from the right, 3-0, and **Matt Childs** took Bar Hill's 4th to make it 4-0 going in to half time. **Sean Tipple** side footed a lovely cross from **Matt Childs** to make it 5-0 in the first minute of the second half. Swavesey did put up a fight but solid goalkeeping from **Dan Virgo** kept a clean sheet. **Sean Tipple** found **Ellis Lenton** who volleyed in to make it 6-0 and the **Ellis** scored his second to make it 7-0! Good defensive play from **Luke Barber** and **Luke Thomas** helped in a confident win Player of the Match; **Tom Lewin**

CLEAN PITCHES

Do you own one of these?

We are scooping up piles of dog muck off the Village Green and School pitches before matches can be played. This creates a health risk for the children. Your assistance in making sure that you clean up after your dog will be much appreciated.

CALLING ALL PARENTS

We need your support.

Maybe it is partly due to the current economic climate or maybe there are other influencing factors, but Bar Hill Colts Football Club does not find itself

in as strong a financial state as it has been.

There are a lot of outgoings involved with running a club; including coaching courses, referee fees, facility hire, affiliation fees and the end of season trophy award evening (approx £500-600 for this event alone). The difference between income and outgoings is reducing and we need help to improve the situation.

The numbers of players has decreased over recent years and this has brought a drop in revenue. The idea of increasing membership fees has been toyed with. We charge a maximum of £20 + subs, while other clubs charge fees of up to £50 + subs.

Fund-raising events have also decreased in recent years. The Colts Disco used to be a certain sell-out but no longer, maybe tastes change? The managers organising these events find they need more admin time and so they are unable to fulfil two roles.

We need your views and ideas to improve the situation. Maybe some volunteers would like to form a fund-raising group for the club. Would you would be happy to pay an increased membership fee?

Most importantly, we need input and support from parents and families of the players so that it can continue to provide an enjoyable and healthy environment for the kids to learn and play football in. Please let our team managers know of your ideas, opinions or if you can help.

INFORMATION FROM PCSO KAREN MAHONEY

I continue to have a number of complaints from residents about vehicles being parked completely on footpaths, junctions and on bends causing obstructions for pedestrians and road users. I have issued a number of warnings to various vehicles parked in this manner only to find that they are being ignored and vehicles continue to be parked illegally. As a result of this I am now going to be issuing fixed penalty notices to offending vehicles which are a £30 fine.

I understand that there is not an awful lot of parking available in certain streets but please do not block pavements or park on bends. As long as there is enough room for a wheelchair or push chair to pass through on the pavement this is not too much of a problem. Please ensure that you do not park opposite each other on either side of the road so you are blocking the way for vehicles and emergency vehicles.

HAPPY HOURS

A number of our members attended the funeral of Pat Marshall recently. It was a very sad occasion as Terry, her husband, had died only 3 months previously – both members of the club who will be missed.

On a brighter note we have a new member recently moved to Bar Hill, Colleen Chambers, and we hope she will settle into village life and enjoy her time here.

Our winter flu jabs start on 26 October and 2 November. This is not the swine flu vaccine as this will be a separate issue later. Anyone wishing to make any proposals for our AGM on 9 November should put them in by 26 October.

Brian has kindly given us another 2 quizzes, this time of items of clothing, keeping our minds sharp, and Dennis has kindly provided us with music one afternoon.

We are all looking forward to our outing to Kings Lynn and then it will be the Birthday Party. Plans going ahead with live music by some members of The Cambridge Jazz Co.

MEMORIAL GARDEN

It is planned to have a memorial garden on the piece of land between the Octagon and the Parish Council Office. This will be a joint venture planned and paid for by the Church and the Parish Council, but it is intended that the Memorial Garden will be for all residents of the village. It is hoped that it will provide a quiet place for people who have lost loved ones to spend a while and reflect.

Unfortunately the law will not allow it to be a place where ashes can be scattered or interred, and it is not intended that plants or bushes should be placed there in memory of a loved one.

Children from the school have been asked to submit designs for the Garden and groups of interested residents can choose an area and plant it according to their own ideas. Details will appear in the "News" as soon as the groundworks have started, so if

you are interested in helping in any way with this project, please watch for further information.

It is understood that before the current church was built, ashes were scattered on what was then a memorial garden. If you know anything about this please contact the Clerk of the Parish Council to give details. It is planned to have a plaque on the wall of the church to mark the fact that that area was once a memorial garden.

It is regretted that Bar Hill soil is unsuitable to provide a cemetery, but residents who wish to have a plot of land, or inter ashes can do so in the grounds of the Crematorium by contacting the City Council.

Royal British Legion, who are we?

The British Legion was formed as a voice for the ex-service community in 1921. It was granted a royal charter on its 50th birthday the current Patron being the Queen. Earl Haig was one of the founders and President until his death. Perhaps we are best known for our Poppy Appeal and Festival of Remembrance. The Legion has been active as a campaigning organisation and has been the premier forces charity promoting the welfare of service and ex-servicemen and women for 86 years.

The Poppy dates from the end of the 1st World War when poems such as In Flanders Fields were published. Poppies are worn until Remembrance Day to remember the fallen in that war and implicitly all wars. The money raised from the Poppy Appeal allows 300,000 welfare cases to be assisted each year. When you see us outside Tesco please give generously. The need not only goes on - it grows greater each year.

REPORT BY DISTRICT COUNCILLORS ROGER HALL AND BUNTY WATERS

South Cambridgeshire Celebrates Age

The fourth annual Cambridgeshire Celebrates Age programme began on Thursday 1 October to mark the International Day of Older Persons and this year's events included a launch party in South Cambridgeshire, hosted by Chairman of South Cambridgeshire District Council (SCDC) Cllr Charlie Nightingale. The programme includes cultural events, exercise sessions, social events, talks and much more. The programme is available online at www.scambs.gov.uk. The aim of Cambridgeshire Celebrates Age is to promote the well-being and improve the quality of life for older people by:

- ☐ Portraying positive images of older people
- ☐ Promoting active living
- ☐ Reducing social isolation
- ☐ Promoting intergenerational work between young and older people
- ☐ Challenging age discrimination

Cambridgeshire Celebrates Age is a partnership group involving older people, local authorities, the Primary Care Trust, voluntary agencies and community groups working with and on behalf of older people. It aims to promote and encourage activity around the International Day of Older People on 1 October and offers a varied programme of activity throughout the county.

Question

How can I find out if a tree is covered by a Tree Preservation Order (TPO)?

Answer

Contact the Trees and Landscape Officer.

An official search of the local land charges register can also be made before you purchase a property. This should reveal the existence of a tree preservation order (or whether your property is in a conservation area). Make sure your solicitor tells you if any trees are protected.

Contact SCDC on Tel: **03450 450 500**
Fax: **01954 713149**

SCDC set aside 2.4 per cent (£150,000) of its 2009/10 council tax increase for practical measures to support business in South Cambridgeshire.

The fund is available from September 2009 and claims must be made by 31 March 2010. People should contact Business Link on 08457 17 16 15 or via www.businesslink.gov.uk/east

Parish Council Web Site – www.barhillpc.org.uk.

This will keep you up to date on current affairs in the village including meeting minutes and agenda.

For all you regular walkers out there

The County Council has produced a Countryside Access Map entitled "Walks and Rides around the Northstowe Hundred". A very interesting history of the local countryside and lots of pleasant walks and bike rides for you enthusiasts. If you would like a map please call in to the office as I have been given a substantial supply.

Skate Park

Please be aware that when vandalism occurs at the Park, the cost of the repairs which are made come from council tax money. Earlier this year repairs were made at a cost of £6,000. The Park is a great asset for people who enjoy this sport but repairs are expensive and the Parish Council hopes that people who use the Park will take care of it, and report any incidents of damage which they witness to the Clerk (contact details below).

Village Green

I have had several complaints from residents saying that some dog owners are not clearing up after their pets. The village green is a village amenity for ALL to use so please, when walking your dog, clear up after them so parents can let their children play safely.

Firework Night

Please remember to support the village by attending the Firework Display on the Village Green on 5th November that the Residents Association organise for your enjoyment (and what a great job they do too!) Have a great time but please remember to be careful.

Parish Council Meetings

The next monthly Parish Council meeting will be on Thursday 19 November at 7 pm in the Parish Council Office and all members of the public are welcome to attend.

Our children enjoy a wide range of inspiring equipment, games and craft activities, from pool to computer games, dressing up to craft and lots more, or if they prefer they can chill out on our comfy sofas. We also use the safe environment of the school playground for outdoor play. A snack, such as pasta, filled pittas etc followed by a biscuit and fresh fruit is provided. We make birthday cakes to celebrate each child's birthday, which we share.

We are registered with OSTED: this enables parents/guardians who are eligible, to claim up to 70% of their childcare costs. We are also able to accept childcare vouchers eg Fair Care and Busy Bees.

Our opening hours are:

Term Time 3.10 pm – 6 pm Monday to Friday
School Holidays 8.15 – 6 pm Monday to Friday

Our fees are:

Term Time £3.85/hour for 1st child and £3.45/hour for siblings, which includes the snack.
School Holidays which also include the snack have special day rates:

We are currently taking bookings for the Christmas holidays including our really popular craft

sessions. Please feel free to contact us for further details.

We will be 10 years old at the beginning of January. To celebrate we are going to have a reunion with past members as well as celebrating with our present members. We would love to know what you are all doing now!

"The world is in travail and its agitation waxeth day by day."

These words were spoken over one hundred years ago and they ring even truer today. What can we do about this? Would you like to take part in informal discussions on the spiritual dimension so lacking in the world today? Join us to share your views.

As a service to the community we are also organising weekly classes for children (age 5 - 10), run by teachers checked by the Criminal Records Board (CRB). The purpose of the class is to develop the spiritual faculties latent within every child that lay the foundation of a noble and upright character.

In these classes the children will memorize beautiful quotations, listen to inspiring stories, and sing and play. The class will also help them to develop their virtues - such as kindness, generosity, patience - by encouraging them to practice them in their daily lives.
